

A diagram consisting of three circles. Two circles are positioned at the top, one on the left and one on the right. A third circle is positioned below them, centered horizontally. Each circle contains text. The top-left circle contains the text 'surface kinematical'. The top-right circle contains the text 'base kinematical'. The bottom circle contains the text 'mass continuity'.

**surface
kinematical**

**base
kinematical**

**mass
continuity**
